MEMORANDUM

To: Administrators of National School Lunch and School Breakfast Programs

From: Rick Hall, MS  
Team Leader, Child Nutrition Programs

Subject: Accommodating Children with Special Dietary Needs Manual

Recently, USDA has updated the *Accommodating Children with Special Dietary Needs* Manual. No major changes were made; only minor clarifications and updates were included. Next spring, USDA will print a large number of copies for distribution.

The manual and corresponding power point presentation can be found on the USDA web- site at [www.fns.usda.gov/cnd](http://www.fns.usda.gov/cnd) (select “guidance” from the left menu bar). If you have any questions about the manual, please contact your Child Nutrition Program Specialist at (602) 542-8700.
